Hi Tekla

Hope all's well.

Not quite there yet in getting things sorted with WC Highways who have been a bit slow in their comms on the planting proposal. However steps are being made and things look positive.

Tree numbers may need to be less but that is not an issue.

I will approach two contractors on behalf of the PC to undertake the planting. There will be opportunity for the PC and residents to assist if they want and subject to RAMS.

Ref the planting at the rec there are some failures which will need replacing using maintenance funds held by the PC. I can get a contractor to do this.

All the best

Eden
