The dog fouling in fields has a terrible knock-on effect for the farmers so these signs are important. The signs will be replaced, and we appeal to the public to not remove them. The Parish Council will closely monitor this situation.- Wiltshire Police are patrolling the recreational area and public spaces to ensure that lockdown regulations are being adhered to- Councillor Reay: the prospective Conservative Candidate for the Devizes Rural West Division for the upcoming Wiltshire Council elections joined us for the meeting and introduced herself. Rebecca’s presentation was a great opportunity to learn about what Affordable Housing is and how it works and gave the councillors the opportunity to ask questions. 	<p>Total Expenditure approved this month: £396.53 Balance after payments made: £2050.57</p> <p>To further streamline the PC finances and make them as transparent as possible, the two current accounts the PC holds have been rolled into one</p>	
9/20	<p>Playing Field Enhancement: Cantilever Swing timber replacement: Alex has been researching suppliers to help us replace the broken swing as cost effectively as possible. He has been struggling to source the correct spec wood at the right diameter and will continue to make inquiries. Amy has agreed to call the previous suppliers and see if they can supply just the wood to save us installation costs as they are the only supplier, we have found that provide the right diameter wood.</p> <p>Playground Committee: The newly formed team have applied for Area Board Funding grant to cover the removal of unsafe items and repair those that can be repaired within that figure. The application is for £1000 – this was the maximum they were able to bid for in this instance. The Area Board have invited the Playground Committee to present their case at the next Area Board on the 3rd of February.</p>	<p>AB, AP</p> <p>CH, J-AH AP</p>
10/20	<p>Parish Steward: Please continue to send any outstanding jobs to the Clerk so these can be passed on. The Clerk has struggled to contact the Steward in the last few months and has agreed to find out more information on future visits</p>	Clerk
11/20	<p>www.Bulkington.Org: Currently BT hosts www.bulkington.org.uk and so far it has been free - in May 2021 it would need to be paid for or moved to another host. Amy proposed moving the current website content to a new provider herself, modernising the layout and mobile compatibility and removing outdated documents and information. Amy's generous offer saves the village the cost of paying for BT to continue hosting the site or of hiring a third party to move the content to a new provider for us. This proposal was unanimously approved. Going forward, the new website will be updated by members of the PC and the Clerk along with Sue Barrett and Calum Ogilvie who currently run the website. The Parish Council would like to thank Sue and Callum for all their hard work in maintaining and updating the village website to date.</p>	All
12/21	<p>Rights of way access: A member of the public has requested that 5 stiles in the Bulkington area are repaired. These were each discussed, Alex has agreed to pass this concern on to the relevant landowners so these can be fixed and brought back in line with regulations.</p>	AB
